The 7th International Conference on Digital Arts, Media and Technology (DAMT) and 5th ECTI Northern Section Conference on Electrical, Electronics, Computer and Telecommunications Engineering (NCON) will be jointly held **online** from 26th to 28th January 2022. Both conferences were formed by Electrical Engineering/Electronics, Computer, Telecommunications and Information Technology Association of Thailand (ECTI Thailand) in cooperation with major industries and academies in Northern Thailand to be an annual international forum in this region. The objective is to create an opportunity for students, academics, and industry researchers to exchange ideas and discuss development in digital arts, media and technology for strengthening the growth of creative industries.

We look forward to receiving your contributions and to see you at the joint conference of ECTI DAMT and NCON 2022.

**Technical Tracks**

**DAMT-2022**

1. Media Systems and Implementations
2. Multi-signal Processing and Applications
3. Digital Arts and Media
4. Media and Medium Engineering
5. Digital Economy for Sustainable Growth
6. Knowledge Management and Learning Organization

**NCON-2022**

1. Devices, Circuits and Systems
2. Computers
3. Information Technology
4. Communication Systems
5. Controls
6. Electrical Power Systems
7. Power Electronics
8. Signal Processing

**Special Sessions**

- Special Session 1: Innovative Applications of Artificial Intelligence (I2AI)
- Special Session 2: Industry 4.0: Fundamental, applications, and related works

**Important Dates**

Deadline for Special Session and Tutorials Proposal	31 October 2021
Deadline for Paper Submissions	21 September – 26 November 2021
Notification of Acceptance	24 December 2021
Deadline for Final Manuscript Submission	7 January 2021
Deadline for Early Registration	7 January 2021
Conference Dates	26 - 28 January 2022

**Paper Submissions**

1. Prospective authors are invited to submit original full papers **WITHOUT** authors' names and affiliations, in English, of 3 - 4 pages in standard IEEE two-column format only, reporting their original work and results, applications, and/or implementation in one or more of the listed areas.
2. Papers must be submitted online only through the submission system of the conference website.
3. At least one author of each accepted paper **MUST** register and present the paper at the conference in order that the paper is to be included in the program. The program will also be submitted for inclusion in the IEEE Xplore. All accepted papers will be submitted for inclusion into IEEE Xplore as well as SCOPUS indexing.
